

Discover Dhivehi Cuisine at Kandolhu Maldives

PRESS RELEASE: MARCH 2023

Kandolhu Maldives is proud to announce the addition of Dhivehi cuisine to our already impressive culinary offerings. This exciting addition to the resort's restaurant menu allows our guests to experience the authentic flavours of Maldivian cuisine, a true delight for the taste buds.

The tasting menu features a family-style meal set arrayed with classic Dhivehi recipes. For starters, try the breakfast staple Mas Huni, a grated tuna steeped in coconut and spices or take in crispy bites of Bis Kimiya, a fried pastry filled with tuna and cabbage. Under mains are unmissable dishes such as Garudhiya, a clear tuna soup or Fihunu Mas, a grilled reef fish and Kulhimas, a dry curry of spiced tuna, among many others. All these crowd-pleasers are best enjoyed alongside a flatbread called Roshi or a heaping of coconut rice known as Huni Bai. End the meal on a sweet note with a serving of coconut mousse with tropical fruit.

Available every Thursday, this dining special is offered as a supplement to the meal plans.

Kandolhu is proud to offer our guests the opportunity to discover the flavours and traditions of Dhivehi cuisine. With our commitment to sustainability, exquisite culinary offerings, and unparalleled natural beauty, Kandolhu Maldives is the perfect destination for a truly unforgettable Maldivian experience.
