

Romance on Kandolhu Maldives

PRESS RELEASE: February 2023

Embodying bliss in its purest form, Kandolhu Maldives is an intimate haven in the North Ari Atoll offering personalised romantic experiences to fuel passions.

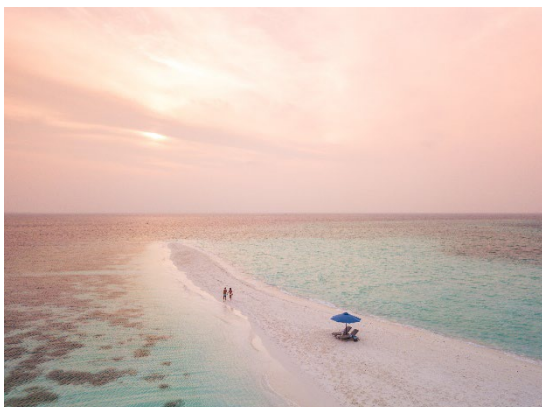

A twist to the classic romantic activity, a picnic at the sandbank creates a limitless feeling while relaxing over the sandy shore and gazing out the azure tides. As night deepens, dial up the sweetness with a Movie Night. The night belongs to lovebirds in this private screening at the jetty. The open-air location is assembled with a screen and some comfy cushions; behind it is the placid sea resembling a dreamy film scene.

Taking date nights to new heights, a Private Dinner is a gastronomic experience tailored for two. Couples can orchestrate their unforgettable moment from crafting a special menu with the Chef to choosing the idyllic venues, either at the beachfront, villa veranda or the moonlight jetty.

As time stands still on the island, bond over a wellness session at Varu Spa. The healing sanctuary offers a range of Just You and Me couple treatments designed to ease bodily tension allowing a sense of peace to take over and improving connection with one another.

Amid the jewel-tone scenery and intuitive bespoke service, together is a wonderful place to be at Kandolhu.

Bring the flavours of the tropics to your home with this tasty recipe that's reminiscent of the island paradise.
